REPORT

The Department of Computer Science is hosting Alumni Talk featuring Gopaluni Jitendra who is working as Business Analyst. He will be sharing insights on effective strategies to crack interviews.
This session was about how important it is to decide area of interest, he gave detailed knowledge about various specializations like HR, Marketing, Finance, Analytics and Operations and all its applications in today's IT organizations. And his lecture gave a clear picture of the perspective from which we should choose our specializations. On behalf of all students we thank our management for providing us with such an interesting and informative.
